

The teachers of Room 7

Hi!

My name is Tess Aguilar. My birthday is November 1st. I have been working in the childcare field since 1993, and I have been here at SFEI since 2001. I have a son named Ryan, who finally gave me my first grandchild, a beautiful baby girl. My husband's name is Rafael and my dog, who drags me all around the neighborhood, is Lucy. I am a few classes short of completing my AA in Child Development. My personal goals are to keep the children safe, happy and educate them with hands on activities. My hobbies include dancing, singing, crafts and looking for great deals at garage sells! The singing and dancing might need a lot of work, but the children seem to enjoy the entertainment. So if you see me on the monitors just know it is for the children and I am not going crazy (probably).

Hi!

My name is Ricki Reynolds and my birthday is June 11. I have been in the childcare profession since 1978. My first experience in childcare was working as a live-in Childcare Provider for seven years. Since then I have worked as both a teacher and a Director. I have an AA in Child Development and I am a licensed Director. I am First Aid and CPR trained and I also receive twenty hours of Child Development training each year. I am fluent in Spanish and Sign Language. I am originally from Southern California but I have lived in Texas since 1994. I am single but the love of my life is my Toy Poodle named Rollie. My hobbies include reading, swimming and watching movies.
