Dear Parents,

Each year the JSC CCC Executive Director and the SFEI Board of Directors review the previous year's revenues and expenditures and determine the budget for the following year, including any required tuition increases. SFEI is a non-profit organization and our goal is always to provide high-quality child care services to the NASA community while minimizing the costs to our members. Annual tuition increases, however, are often unavoidable to adequately fund facility needs and keep up with cost of living increases.

Over the past year SFEI experienced an overall increase in operational costs. Due to continued increased operational costs, as well as expected standard inflation, tuition rates at JSC Child Care Center are being increased.

Effective September 1, tuition rates and payment schedules will change. In an effort to further reduce operational costs, there will no longer be a weekly tuition payment option. There will be two options; 1) A monthly payment option that is due the 1st of every month, 2) A bi-monthly option in which these payments will be due the 1st and the 15th of every month. The tuition rates as of September 1st 2008 are as follows:

Room	Monthly Rate	Bi-monthly Rate
Rm 1 (Infants)	823.00	411.50
Rm 2 (Toddlers)	774.00	387.00
Rm 3 (Toddler/2's)	774.00	387.00
Rm 4 (2's)	697.00	348.75
Rm 5 (Early PreK)	674.00	337.00
Rm 6 (Early PreK)	674.00	337.00
Rm 7 (PreK)	674.00	337.00
Rm 8 (PreK)	674.00	337.00
Rm 9 (Kindergarten)	688.00	344.00

In addition, the annual membership dues will now be \$30.00 per year, effective immediately for new members, and at time of annual renewal for existing members (October 1, 2008).

The Board considers these increases essential for continuation of the outstanding child care services we all enjoy and expect from the JSC CCC.

Sincerely,
The SFEI Board of Directors
